

ART DATA THON

FEBRUARY 11-12, 2022

DID YOU KNOW OUR ART
COLLECTIONS CAN TELL
IMPORTANT STORIES ABOUT
DIVERSITY, EQUITY & INCLUSION
ON CAMPUS? COME LEARN, PLAY,
EXPERIMENT!

Join us for a 2-day event featuring lectures, panels, big datasets, and arts & crafts! Explore new ways of thinking about art collections and experiment with ways to express ideas visually through digital and analogue data visualization tools. Coding or artistic experience is welcome but not necessary. This is a fun, collaborative and non-competitive event.
